Loss of Building Services:

If we experience loss of building services that includes heat, air conditioning, water, sewer, electricity, and or fire protection that last more than 1 ½ hours, parents/guardians will be notified and required to pick up their children. Per Wisconsin Group Child Care Licensing rules, the building temperature can be no colder than 67° and no warmer than 80° without circulation of some type and there must be running water and working toilets.

Inclement Weather:

Our programs follow the Oregon School District (OSD) calendar. It is the parent's responsibility to watch or listen to the news media for the Oregon/Brooklyn School district on questionable days. We will post closing decisions in a timely manner to our Facebook page www.facebook.com/LittleAngelsELC.

If OSD:	Preschool & 4K will:	Childcare will:
Closes for the day	Close for the day	Close for the day
Delays the start	Cancel AM & PM classes	Delay the start by 1-2 hours
Releases early	Cancel PM classes	Close 1 hour after the OSD elementary schools close
